MARCH BUILDER OF THE MONTH THEME:

“I AM A BUILDER WHEN I AM WILLING TO TRY AND BELIEVE IN MY ABILITY TO SUCCEED”

Our kindergarten students remind us of the little blue engine in the children’s book, “The Little Engine That Could” by Watty Piper. This story can be used to teach children the value of optimism and hard work. Every day we see determination and drive in our students to be better and try harder. We KNOW you can!!
