After their presentation, we will have our teachers and instructors sit on chairs in front of the fire truck and each student will have the chance to throw water balloons at their Teacher or Instructor ☺. ELC PARENT SURVEY: 100% PARENT PARTICIPATION

Each spring at APA we ask our parents to take a minute, go online and fill out our annual parent surveys. This provides great feedback from you as to areas we were successful in and areas we could improve on. We look at these surveys closely to help determine how best to serve our families. We value your input and hope each of our parents will complete this ELC survey for us. We are aiming for 100% participation. **NOTE: PLEASE COMPLETE THE SURVEY UNDER THE ELC, NOT DRAPER 1.**

The survey emails with the link will come shortly and directly from Qualtrics. You will get two emails. One will contain the general campus survey (1 per family) and the other with the teacher survey (1 per student). You will not get the teacher survey for every student you have so the email contains instructions to click the link again if they have multiple students. The end of the survey has these same instructions. The survey will be sent out this weekend.

STUDENT INCENTATIVE: Our goal is to have 100% of our ELC parents complete the survey. If we reach this goal, we want to reward our students by letting them have a **FREE DRESS DAY in May.**
