DECEMBER BUILDER THEME: KIGATSUKU – LOOKING FOR WAYS TO SERVE OTHERS”

Our students are off the charts fabulous!! They exhibit it in so many ways. Looking for ways to serve others just seems to come naturally to them.

STUDENT’S DOCKET:

Parents, we hope to clear up any confusion concerning your student’s docket. The docket contains several colored file folders representing the following subjects:

Plain Manila Folder: TAKE HOME FOLDER

Yellow - Math

Blue - History

Orange -Spelling

Red - Reading

Green - Science

Purple - Language Arts

Gray - Reading University

We have instructed our teachers and instructors to please mark a star on the top of all papers and place them in the “TAKE HOME FOLDER”. This will indicate to our parents that these papers have been reviewed and can stay at home. These papers should be taken out of the docket and keep at home. If the student has homework, these papers will be in the proper labeled folder; i.e. math homework will be in the yellow math folder, etc.

One purpose of the docket is to help American Prep implement a “no loose papers” policy. All papers should be placed in the correct file folder inside the docket. That way, students always have what they need with them in class and at home. Please remove all stickers from the outside of your student’s docket. We love that our students are learning the importance of organization and being responsible for their own paperwork and homework.

FOOD DRIVE:

At the ELC our goal was to collect 300 canned goods and non-perishable food items for the Utah Food Bank. **We were able to collect 710 food items.** That's more than double our goal!! We are so proud of our students and parents that helped make this drive a success!! What a great opportunity for our students to participate in such an incredible cause. We greatly appreciate your support!

The food we collect will go to the Utah Food Bank, who will then pass it along to 230 partner agencies across the state, including food pantries, meals on wheels programs, backpack programs for schools, and walk-in cafeterias for those in need. To find out more about where our donations will go, visit www.utahfoodbank.org. THANK YOU for your amazing support.

SCHOOL FEES:

The UCA Governing Board will review proposed fees for each American Prep school for the 2023-2024 School Year. Parents may review the proposed fees and have an opportunity to share thoughts or concerns for Board members to consider before approving these fees.

Please take some time to review the fees your local school proposed. You can find the related documents on the American Prep School Fee webpage:

<https://www.americanprep.org/school-fees/>

There are two opportunities for public comment specific to these proposed fees at their scheduled board meetings held at the American Preparatory Schools District Office located at 12894 S. Pony Express Rd. Unit 600, Draper, UT, on the following dates beginning at 7:00 PM:

- December 15th, 2022, and
- January 26th, 2022

Board Meeting information is available at <https://www.americanprep.org/american-prep/uca-agenda-and-minutes/>."

Our next newsletter will be distributed Friday, January 6th. We want to take this opportunity to wish you a wonderful and safe winter break! Thank you for your continual support, your kind words, countless volunteer hours, and most importantly the opportunity to associate with and teach your sweet, smart children! They truly brighten our day!
