JANUARY’S BUILDERS THEME: “THINKING POSITIVE THOUGHTS ABOUT MYSELF AND OTHERS

Our students take our builder themes to heart and truly strive to incorporate them into their daily routine, words, and actions. Our students have made amazing strides not only academically but in character development as well. It’s wonderful to witness! Since the beginning of the school year our students have learned what it means to be a builder, building with enthusiasm, the importance of demonstrating integrity, expressing gratitude in word and deed, and looking for ways to serve others. We look forward to having our students embrace January builder’s theme.

VIRTUAL PARENT EMPOWERMENT – SUBSTANCE ABUSE AND ADDICTION

The teenage brain develops rapidly during the school years and is very susceptible to addictions to substances, pornography, energy drinks, and more! Vaping is especially attractive for teens with over 2.1 million users in grades 6-12. We have invited Cheryl Saunders from the Community Health Division of Salt Lake County Health will help us understand the epidemic of vaping and how to help our kids and other family members to prevent the usage and ways to help our youth be resilient.

Kindergarten Corner:
