### FEBRUARY BUILDER'S THEME: "USING MY WORDS TO ENCOURAGE OTHERS"

Our kindergarten students are learning the power of kind and encouraging words. "Kindness means you are concerned about other people. Kind people think about another person's feelings and not just their own, they help someone who are in need, and they are kind even when others choose not to be." Our students know that kindness makes the world a better place. Encourage words sure make the Early Learning Center a better place!

### “CARING AND SHARING GUIDELINES: FEBRUARY 14<sup>TH</sup>

As a reminder, we do not hold Valentine’s Day parties or celebrations. We DO, however, focus on caring and sharing all during the month. If you are interested, you MAY send valentine cards on Tuesday, February 14th. These will be exchanged during snack time. Please follow these guidelines if you decide to participate in this:

- All students are included in the giving – cards must be given to all classmates if you plan to bring cards. At APA we promote a no sugar zone therefore we ask that you do not send candy with your valentines’ cards. You are welcome to include stickers, pencils, etc. if you are including something with your card.
- Please have your student write “To: My Friend” and “From: (Their Name)”. As fun as they are to personalize, they take too long to pass out.
