MARCH BUILDER'S THEME “QUICKLY ACKNOWLEDGE MISTAKES AND HUMBLLY MAKE AMENDS”

Life is full of making mistakes! We are not perfect and that's ok! That's how we learn. Through our March Builder theme, we are teaching our students that there is no shame in admitting when they have made a mistake and most importantly it takes a super star to admit it! It has been so rewarding to see our students embrace this concept and try to implement it into their daily interaction with others. We truly have super stars at the Early Learning Center!

PARENT TEACHER CONFERENCE: MARCH 16th (evening) & 17th (day)

Our spring parent teacher conference will be held on Thursday evening, March 16th and Friday, March 17th. This provides the opportunity for parents to meet with the teacher and discuss any questions or concerns before the end of the year approaches. Please look for a Sign-up Genius to come from your student's teacher with available dates and times. Our teachers are looking forward to meeting with each of our wonderful parents!
