KINDERGARTEN SEATS AVAILABLE:

In response to the high community interest in our program, American Prep has opened another few seats in our kindergarten classrooms at our Draper campus! This is an excellent opportunity to begin your child's education journey at APA! If you're interested in a kindergarten seat, please call 801-797-0069.

We have limited seats available in upper elementary grades as well. Call today to secure your students' seat at American Prep.

THANK YOU!

We want to thank our incredible parents for your words of encouragement and support as we continue to work through the cleanup of the ELC's outside water line breakage. Our students have been phenomenal throughout this process and our fabulous staff has made sure to minimize any disruption in our student's learning or daily routine.
