READING AND MATH LESSONS AVAILABLE ON APA'S WEBISTE

When students are absent, they are strongly encouraged to use the online APA reading and math lesson videos to help them stay caught up in their work. Parents can go to the APA website, www.americanprep.org and then click on the Parent Resources link. Once there, parents can scroll down to the Reading and Math Lessons link. The parent can select their child's reading and math level as well as the lesson they are on and have access to a video of the full lesson instruction. Though it is best for students to be in the class every school day, when they must be absent, completing these lessons while they are absent helps greatly with a successful return to school.

KINDERGARTEN SEATS AVAILABLE:

In response to the high community interest in our program, American Prep has opened another few seats in our kindergarten classrooms at our Draper campus! This is an excellent opportunity to begin your child's education journey at APA! If you're interested in a kindergarten seat, please call 801-797-0069.

We have limited seats available in upper elementary grades as well. Call today to secure your students' seat at American Prep.

KINDERGARTEN CORNER:

Teacher:	"Spell CAT"
Student:	"C-A-T"
Teacher:	"What does that say?"
Student:	"Meow"
