CLEANING OUT YOUR STUDENT'S DOCKET:

Parents, we hope to clear up any confusion concerning your student's docket. The docket contains several colored file folders representing the following subjects.

Plain Manila Folder: TAKE HOME FOLDER

Yellow – Math

Blue – History

Orange – Spelling

Red - Reading

Green - Science

Purple - Language Arts

Gray - Reading University

White: MAT's

We have instructed our teachers and instructors to please mark a star on the top of all papers and place them in the "TAKE HOME FOLDER". This will indicate to our parents that these papers have been reviewed and can stay at home. These papers should be taken out of the dockets and kept at home. If the student has homework, these papers will be in the proper labeled folder; i.e. math homework will be in the yellow math folder, etc.

One purpose of the docket is to help American Prep implement a "no loose papers" policy. All papers should be placed in the correct file folder inside the docket. That way, students always have what they need with them in class and at home. Please remove all stickers from the outside of your student's docket. We love that our students are learning the importance of organization and being responsible for their own paperwork and homework.
